Dear Mr. Bikis:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report (see attached) discloses one or more contributions which appear to exceed the limits established by the Act. The Act precludes an individual or a political committee from making a contribution to a national party committee in excess of \$20,000 per calendar year. (2 U.S.C. §441a(a)) However, a political committee may make unlimited transfers to a national party committee if the transferred amount is determined to be and disclosed as "excess campaign funds". (11 CFR §113.1(e))

If any apparent excessive contribution in question was incompletely or incorrectly reported, you must amend your original report with the clarifying information.

If the contribution made was excessive, you must notify the recipient and request a refund of the amount in excess of \$20,000. You also must inform the Commission in writing of such a refund and provide a photocopy of any refund request sent to the recipient committee. The refund must appear on Line 15 of the Detailed Summary Page and on a supporting Schedule A of the report covering the period in which the refund is received.

Although the Commission may take further legal action, prompt action by you to obtain a refund of the excessive contribution amount will be taken into consideration.
